The Department of Public Works, Energy Division Office will be hosting its **2024 Energy Efficiency and Conservation Community Outreach Awareness Campaign and Distribution Program** to distribute portable solar-powered LED lights on the island of Rota.

The Energy Division, in conjunction with its Energy Education, Efficiency, and Conservation Program efforts, will be distributing **ONE (1) Portable Solar-powered LED light per residential household** to assist residential consumers reduce the energy consumption and electricity costs of their homes and to educate the community about the importance of energy efficiency and conservation efforts in the CNMI.

**The portable solar-powered LED light will be available for distribution on a first-come, first-served basis throughout the specified time, while supplies lasts.** The event will be a **DRIVE-THRU DISTRIBUTION EVENT** and will be held at the date, time, and location specified below:

<b>Date:</b>	<b>Location:</b>	<b>Time:</b>
November 23, 2024, Saturday	Man'amko Center, Sinapalo, Rota	8:30 AM until supplies last

To avail of a portable solar-powered LED light, residential household consumers must present a copy of a valid government-issued identification card (ID) and a copy of a most recent utility bill with the name on the account. If consumers are renting, please provide a copy of the lease or rental agreement along with the CUC utility bill. If the CUC account is under the landlord's name, a copy of the landlord's valid government-issued identification card (ID) must be provided. If the tenant is sub-metered, the sub-metered number must be provided along with the CUC utility bill/receipt of the utility bill and a copy of the account holder's valid government-issues identification card (ID).

If a residential homeowner with a CUC account holder's name is unable to participate in the event, a homeowner may designate an authorized person to obtain a portable solar-powered LED light on their behalf. However, an authorization letter must be issued by the homeowner designating a person authorized to obtain the portable solar-powered LED light, along with a copy of a valid government-issued ID of the account holder and the designated person authorized. Businesses, rental property owners, and/or Landlords are not eligible to receive the portable solar-powered LED light.

Additionally, please be sure to follow posted traffic flow signs as instructed. Operators and passengers of motor vehicles must remain in their vehicles at all times. The Division of Energy respectfully requests the cooperation and understanding of the community to strictly observe the following notice:

**WALK-INS are strictly NOT ALLOWED and individuals will be turned away.**

Division of Energy reserves the right to refuse and or provide services to any or all persons during the event.
